SUBJECT: Specific Stop-Loss Insurance

DATE: May 24, 2023

As part of our self-funded health insurance program, LLCC purchases specific stop-loss insurance to limit the college's exposure to high dollar medical claims. Stop-loss insurance reimburses the plan for an insured's incurred claims in excess of \$100,000. Our current contract with HCC for this coverage will expire on June 30, 2023.

To continue providing stop-loss coverage for the college's self-funded health insurance program, Cottingham & Butler, LLCC's insurance consultant, sought quotations in the stop-loss marketplace on our behalf. After reviewing all of the quotes, two carriers, who provided firm offers, were left under consideration: HCC, the incumbent carrier, and Spectrum. Both carriers' quotes included a higher reimbursement threshold for three individuals on the plan. The premium quote from HCC was higher, but the overall dollar amount for the three individuals with a higher reimbursement threshold was lower. Between the premium quote and the dollar amount of the higher reimbursement thresholds for three employees, HCC provided the overall lowest quote.

The quotes provided are based on 362 currently insured employees with 78 electing dependent or family coverage. The final actual cost may differ based on the number insured on July 1 and the number electing to carry dependent or family coverage. Based on the firm quote, the best overall cost when factoring in higher reimbursement thresholds, establishment in the stop-loss market and administrative continuity, it is my recommendation that we accept the bid from HCC in the amount of \$716,964 with a stop-loss liability of \$100,000 per claim with the exception of the higher reimbursement threshold for three individuals.

MOTION: Move to ratify the approval of the specific stop-loss policy with a liability limit of \$100,000 per insured with a higher reimbursement threshold for three individuals for FY2024 proposed by HCC at a projected annual cost of \$716,964.

SUBJECT: Fall 2023 Forward Magazine

DATE: May 24, 2023

The College issued an invitation to bid for the printing, mailing, and delivering of the Forward Magazine for the Fall 2023 semester. We plan to print and distribute 160,000 Forward Magazines. Recycled paper and environmentally friendly inks will be used in the printing of this publication.

Given the uncertainty and volatility currently in the paper market, we changed our price structure for this procurement. Bids were evaluated on fixed costs (excluding paper) to produce the magazine and a mark-up rate on paper. Paper expense will be reimbursed once paper is purchased by the vendor and invoice has been provided.

Bidder	Total Fixed Costs, including delivery 160,000 Forward Magazines (1 issue) (32 pages)	% Mark-up on Paper Cost
ColorArt Eureka, MO	\$27,613	9.75%
FCL Graphics Harwood Heights, IL	\$46,699	17.5%
American Litho Carol Stream, IL	\$49,177	11%
Taylor Print Impressions, Bloomington, IL	\$60,405	3%

As required by section 6.4 of the LLCC Board Policy, an advertisement for public bid was published in the Wednesday, April 26, 2023, edition of the State Journal Register.

In addition to the bidders above, the solicitation was also sent to: American Marketing Services, Mundelein; BFM Group Inc., Lake Saint Louis, Mo; Bloomington Offset, Bloomington; Color World of Printing, Springfield; Consolidated Printing Company, Chicago; Cross Rhodes Print and Technologies, Lombard; Dan’s Printing and Office Supplies, Oak Forest; Fidelity Print Communications, Broadview; Fineline Printing Group,

SUBJECT: Truck Driver Training Expansion

DATE: May 24, 2023

Tonight, we are asking you to approve a FY 2023 Community Project for expansion of the Truck Driver Training program at the Main Campus. This project is made possible by the Consolidated Appropriations Act, 2023 (Public Law 117-328 “the FY2023 Act”). Congress made funding available \$2,982,285,641 for “grants for the Economic Development Initiative (EDI) for the purposes, and in amounts, specified for Community Project Funding/Congressionally Directed Spending”. These “Community Project Funding” or “CPF” awards are administered by the Department of Housing and Urban Development (HUD).

LLCC received \$1,118,000 from this FY2023 Act. We do not need to supplement the project with additional local funds. The project scope includes expansion of the truck driver training lot (behind Workforce) to provide space for usage by additional trucks and trailers which will allow an increase in enrollment in the Truck Driver Training program. Due to the presence of federal funding, we will work with the HUD to determine A/E selection, bidding requirements, funding disbursements, and other requirements.

This project was originally included in the Renovate and Expand Campus Training Facilities project that was funded by a grant from the EDA. We have received approval of that amendment to shift construction scope to equipment from the EDA grant project.

Project Title	Cost Estimate
Truck Driver Training Expansion	\$1,118,000

Budget Impact:

Total Funds Requested: \$0
 Source of Funds: Federal Funding
 Projected Revenue: N/A
 Projected Savings: N/A

Student Learning Impact:

How will proposed agenda item impact student learning?

By improving the physical environment in which instruction, study and leisure activities take place.

How will proposed agenda item be measured?

Each of these projects is measured first by completion within the predetermined budget and time allotted for completion, and then by the satisfaction of the users and stakeholders.

MOTION: Move to approve the Truck Driver Training Expansion project at the Main Campus.

SUBJECT: Emergency Deferred Maintenance Capital Project for Exterior Door Security Upgrades – Budget Increase

DATE: May 24, 2023

The CDB needs the Board to approve an increase to the budget based on the lowest bid received to allow the bid review and contractor award process to move forward. The lowest bid received is \$116,451 over the available budget (including a 5% contingency). The CDB is not able to provide additional funds to the project, therefore, the College will need to increase the amount of our contribution. This increase brings the total project budget to \$691,451 and the College’s total contribution to \$260,201. The \$116,451 budget increase will be funded with LPS funds.

Budget Timeline	Amount
August 2020 Established	\$500,000
July 2021 Increase	\$75,000
May 2023 Increase	\$116,451
Total Adjusted Project Budget	\$691,451

Budget Split	Total Amount	Percent
Lincoln Land Community College	\$260,201	38%
Capital Development Board	\$431,250	62%
Total Adjusted Project Budget	\$691,451	100%

MOTION: Move to approve the budget increase in the amount of \$116,451 for the Emergency Deferred Maintenance Capital Project for Exterior Door Security Upgrades at the Main Campus.

SUBJECT: Naming of Diesel Technologies Lab and Classroom

DATE: May 24, 2023

We celebrate the outstanding generosity of the Roland Family and support of the diesel industry. Roland Machinery Company, for more than 50 years, has provided heavy equipment customers with the machines, support, and service they need to achieve their goals.

As a third-generation family-owned company, their generous support of the communities they serve continues at Lincoln Land Community College. It is fitting that a college that has been supporting district residents for 56 years should recognize a significant gift commitment of \$500,000 from a family that will impact the lives of so many people for generations to come.

Per board policy: "The Lincoln Land Community College Board of Trustees shall approve the naming of all facilities and all other naming opportunities in accordance with established procedures."

After consultation with the Roland Family and the LLCC Foundation Executive Director, we are respectfully seeking board approval for naming the Diesel Technologies Lab and Classroom in honor of the Roland Family and Roland Machinery Company.

MOTION: Move to name the Diesel Technologies Lab and Classroom in honor of the Roland Family and Roland Machinery Company.
