

LLCC Baseball Program

The Lincoln Land Community College (LLCC) men's baseball team, the Loggers, was formed in 1969. Since that time, the team has won 19 sectional championships, seven regional championships, four district championships and has been to the national tournament four times. In 1993, the Loggers finished fifth nationally, in 1995 they finished third and in 1994 and 2000 they won the national championship. Lincoln Land is one of only four colleges to have won more than one NJCAA Division II National Championship.

The team's collective success has been accompanied by individual players' successes. A number of LLCC baseball players have moved on to play at NCAA Division I, II, III and NAIA schools. In addition, numerous former Loggers have gone on to play professional baseball, with six advancing to the major leagues. LLCC's men's baseball program is committed to providing opportunities for local talent to compete at the highest level. With strong community support, LLCC has been able to reach that goal.

*On behalf of the LLCC Baseball Program,
thank you for your support!*
