

One score could make a difference. Be prepared!

The CAS **FREE Accuplacer Prep Workshop** provides you with successful study tools to help you prepare for the LLCC placement test.

Topics include:

- General test-prep skills
- Taking computerized exams
- Utilizing reading, writing and math practice materials
- Managing test anxiety

Workshop registration is required.

Register for one of these workshops by visiting the Center for Academic Success information desk, by calling 786-2396, or by going online at www.llcc.edu/cas.
