Advising Checklist for Associate Degree Nursing (ADN)

48 students admitted each fall semester; 48 admitted each spring semester

All items below must be completed in order to apply to the program by the designated application deadline. It is the student’s responsibility to notify the Office of Advising & Counseling when requirements have been met and to apply by the application deadline.

Candidates are chosen based upon a selective admission process. Please refer to the Selective Admission Point System handout for additional information regarding how points are awarded.

Please note that this checklist is subject to change at any time.

Admission Requirements:

□ HS transcript with proof of graduation or GED certificate on file in Admissions & Records Office

□ **TEAS score of Basic or higher (TEAS scores are valid for 5 years and may be accepted from any location offering the TEAS testing).**

□ Chemistry 100 or 101 with C or above within the last 5 years or high school Chemistry with C or above within the last 5 years.

□ Place into MAT 141 or any other college level math within the last 5 years.

□ Complete placement test to demonstrate placement into EGL 101

□ Cumulative GPA of 2.5 or better for all previous college courses or high school GPA of 2.5 (on 4pt scale). High school GPA will be considered until the student has completed 9 hours of program specific courses.

□ Be a current Certified Nursing Assistant.

<td>Chapter 112, Section 103-17, of the Illinois Public Community College Act requires that whenever enrollment in a program must be restricted because of space limitations, a college must give preference to district residents. Consequently, admission to Health Professions programs for students who live outside of LLCC District #526 vary per program based on space available and qualified applicant pools.</td>
