Radiography Program Checklist

16 students admitted each summer semester

** This checklist does not guarantee admission into the program. It is to be used for advising purposes only and to assist the student in determining if she/he is ready to apply to the program.

It is the student’s responsibility to notify Admissions when requirements have been met. Applications must be turned in by the last Friday in January at 5:00pm, to be considered for that year’s summer semester program start.

Admission Requirements
(Admission and program requirements are subject to change):

- HS transcript with proof of graduation or GED certificate on file in Admissions & Records Office. For high school seniors applying prior to graduation, a letter from a School Official documenting the student’s ability to graduate must accompany the student’s application.

- Attend an informational session given by the Radiography director.

- TEAS score of Basic or higher (TEAS scores are valid for 5 years and may be accepted from any location offering the TEAS testing) OR have an Associate’s degree or higher.

- Demonstrate placement into EGL 101.

- Demonstrate placement out of MAT 092 (within the last 5 years).

- 2 years of high school lab sciences or 2 semesters of college sciences (BIO 101, CHE 100, PHY 100, BIO 107, BIO 111, BIO 175, and BIO 176) with grades of “C” or above within the last 5 years.

- Official transcripts from all colleges ever attended evaluated by Admissions & Records Office. Students that neglect to do this, or delay doing this, may jeopardize their ability to apply to, be accepted to, or remain enrolled in a health professions program at LLCC.

- GPA of 2.5 or higher for all previous college courses.

- Documentation of a Charge-Back agreement. (Applicable to out of district students only.)

- Submit the Radiography program application.

*Students must be eligible to take BIO 175 or must have taken BIO 175 within the past 5 years with a “C” or better upon entering the RAD program. See BIO 175 prerequisite requirements on backside of checklist.

Revised 5/8/2019 J Murphy
Program specific courses required for Radiography:

EGL 101 - Composition I

EGL 102 OR CMN 104 - Composition II OR Interpersonal Communications

*BIO 175 - Anatomy and Physiology I

BIO 176 - Anatomy and Physiology II

PSY 101 - Introduction to Psychology

Radiography courses once admitted:

RAD 100, 101, 102, 103, 104, 105, 110, 111, 125, 200, 210, 220, 221, 225, 250, and 295

*ALL GENERAL EDUCATION COURSES MUST BE COMPLETED WITHIN THE FIRST YEAR OF THE PROGRAM

*REQUIRES ONE YEAR OF HIGH SCHOOL BIOLOGY WITH A GRADE OF “B” OR HIGHER WITHIN THE PAST 5 YEARS OR BIO 101, 107, or 111 WITH A GRADE OF “C” OR HIGHER WITHIN THE PAST 5 YEARS OR A PASSING SCORE ON THE BIO 175 PREREQUISITE WAIVER EXAM WITHIN THE PAST 5 YEARS.

*ALL SCIENCE AND MATH COURSES MUST HAVE BEEN TAKEN WITHIN 5 YEARS OF APPLICATION DATE

Following acceptance to the program, students are required to have:

- A health assessment performed at the student’s expense
- Documentation of immunizations
- A criminal background check and drug screening performed at the student’s expense
- CPR certification for Health Care Providers (completed during 1st semester of the program)
- Influenza vaccines (completed in the fall of 1st and 2nd year)

Residency Criteria: Chapter 112, Section 103-17, of the Illinois Public Community College Act requires that whenever enrollment in a program must be restricted because of space limitations, a college must give preference to district residents. Consequently, admission to Health Career programs for students who live outside of LLCC District #526 vary per program based on space available and qualified applicant pools.

If you have any questions, call the Advising and Counseling office at: (217) 786-2224 and ask to speak with a Health Professions Advisor.
